In Re: NEW(FM), Willows, CA
Facility ID # 175198
Associated Students of
California State University
BNPED-20071019AZP

Dear Applicant:

This letter refers to the above-captioned application for a new non-commercial educational FM facility to serve Willows, CA.

An engineering study of the application reveals that it is in violation of 47 C.F.R. § 73.509 with respect to the co-adjacent Class C license (BLED-19970902KB) for KKTO(FM), Tahoe City, CA. Specifically, the proposed protected contour (60 dBu) would receive overlap from the interfering contour (40 dBu) of KKTO by as much as 1.6 kilometers between the azimuths from 61°T to 106°T. This constitutes an acceptance defect.

In light of the above, Application BNPED-20071019AZP is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. These actions are taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

Rodolfo F. Bonacci
Assistant Chief
